River News.—A fine Library Association has been organized in Atchison.... The *Fred Pfaus* has completed its second volume. It is a fine type paper.... The Missouri river is slowly receding.... The 7th Iowa Cavalry, has gone to Leavenworth for muster out.... A fine school house is to be erected in Atchison.... The emigration to Kansas is now estimated at two hundred families each week.... Organized in Topeka.... The Agricultural Fair of Kansas will be held at Leavenworth on the 9th, 10th, 11th and 12th of next October.... Woollen mills are in operation in Lawrence.... The recent storms have interfered somewhat with the construction of the Leavenworth Branch of the Union Pacific Railroad.... Wabaunsee county has by an almost unanimous vote refunded to issue county bonds to the Atchison and Santa Fe Railroad.... A new fire engine has been purchased for Omaha.

THE SOLDIERS' ORGANIZATION.—The culpable negligence of some of our legislators here, to make provision for the retiring soldiery, who had nearly worn themselves out and sacrificed their business chances in battling for the Union, bids fair to come back to them in an unexpected form. The hand-writing upon the wall—the "mene mene, tekel upharsin," which pronounces their doom, is already legible. It is a singular circumstance that so few of the loyal soldiery have been able to obtain positions, while stay-at-home sympathizers met with no difficulty whatever. Their influence was fearfully underrated. They number, let it be borne in mind, some thousands, and as the thought of the injustice that has been done them still rankles in their minds, they seem resolutely bent upon rewarding their political enemies each according to his deserts. Their plan contemplates an organization in every town, hamlet and precinct in this State, and their address is already scattering consternation among the old office-holders.—*Sacramento Bee.*

Office of Comptroller of the Treasury,

WASHINGTON, MARCH 28th, 1866.

WHEREAS, by satisfactory evidence presented to the undersigned, it has been made to appear that "THE MINERS' NATIONAL BANK OF SALT LAKE," in the City of Great Salt Lake in the County of Great Salt Lake and Territory of Utah, has been duly organized under and according to the requirements of the Act of Congress entitled "An Act to provide a National Currency, secured by a pledge of United States bonds, and to provide for the circulation and redemption thereof," approved June 3d, 1864, and has complied with all the provisions of said Act required to be complied with before commencing the business of banking under said Act;

Now, therefore, I, LAWRENCE CLARK, Comptroller of the Currency, do hereby certify that "THE MINERS' NATIONAL BANK OF SALT LAKE," in the City of Great Salt Lake, in the County of Great Salt Lake, in the Territory of Utah, is authorized to commence the business of Banking under the Act aforesaid.

In testimony whereof I have hereunto set my hand and seal of office this 28th day of March, 1866.

TUESDAY MORNING, MAY 29, 1866.

AN UNWISE MEASURE.

Efforts are now in progress in Washington to segregate a large area of Western Utah and attach it to the adjoining State of Nevada. The bill passed the House of Representatives some time ago and will probably soon be before the Senate. We enter against this unwise measure our earnest protest and we appeal to the press of Nevada to unite with us in this protest against the consummation of a measure calculated to seriously injure the loyal element of this Territory in its praiseworthy efforts to bring about a new order of affairs here, by a development of its mineral wealth.

It is well known that the Mormon settlements are mainly located close to the western base of the Wasatch Mountains —that they do not extend on an average ten miles west of their base. The polygamous power of Utah is all concentrated within these settlements; extending a distance of about five hundred miles from North to South, with not more than an average width of ten miles from East to West.

The mineral Districts of Utah, thus far discovered, (with the exception of the Cottonwood District, a few miles south of this city) are all west of these settlements and are located in Rush Valley, Pahranagat and Deep Creek.— All of these discoveries have been made by persons residents of this Territory, and were made for the express and openly avowed purpose of attracting a large and loyal population sufficient to control the political power of Utah and break down and destroy the Theocracy existing here—thus affording to all men an opportunity to do as they choose, within the limits of the law, without fear of murdering Danites or the exercise of the crushing tyranny of polygamous Church leaders who aim in all their actions to secure their own personal wealth, comfort and aggrandizement.

If the mining Districts are taken from us, we lose one of the most important elements of our future power in Utah.— We have discovered the mines and are entitled to the benefits they will naturally afford socially and politically when developed. We hold now in our hands the key of the silver mines of Utah,—leave the key with us, and in a short time we will revolutionize the political and ecclesiastical systems now crushing this people, who wish to do right, but dare not, fearing they will not be sustained and knowing they cannot at present sustain themselves. Nevada has already taken from us the Egan mines. The bill now before Congress, if passed, will strip us of Deep Creek and Pahranagat. We want those Districts more than Nevada does. They are almost absolutely necessary to our future success, provided the Polygamy question is to be settled without bloodshed. Our friends in Washington are earnestly presenting these facts to Congress. We hope our Nevada friends who are watching with an absorbing interest the progress of the moral conflict in Utah will join with them in the same earnest efforts.

The reduction of the area of Utah in the manner now proposed by Congress will not in any degree impair or lessen the power of the polygamous leaders here. On the contrary, the proposed reduction, if consummated, will strengthen them, by throwing the mining Districts into Nevada—which is just what they desire and are anxious to have accomplished. They are opposed to a development of the silver mines, and will exult over any action that may place them outside the Territorial limits. We are in favor of the development of the silver mines, knowing that in their development is the downfall of Polygamy in Utah. Polygamous leaders know it. Nevada knows it—Congress should know it. Then do not take the silver mines from us. Be just to the loyal element of Utah in this matter.

AFFRAY AT STRAWBERRY, CAL.—A SOLDIER KILLED BY HIS CAPTAIN.—We find the following in the Gold Hill *News* of the 21st inst.:

An unfortunate affair occurred near Strawberry on Saturday night, (19th inst.) Company D, Second Cavalry, were on their way to Sacramento to be mustered out. Some of them, in view of being shortly discharged, appeared to become disorderly. Some five or six became intoxicated, at a saloon near camp, and Captain Knight sent a guard to bring them to quarters. They sprang upon and beat severely, if not dangerously, Sergeant Morse; cutting his head terribly.

On being brought in, Captain Knight ordered them to be tied up. One of them, Charles Miller, drew a knife and drove off all who approached him; declaring he could not be taken. Captain Knight ordered some men to seize him; whereupon he advanced on the Captain knife in hand. The latter drew a derringer and ordered him to drop the knife. He refused, and advanced within three feet, and raised his arm to strike; when the Captain shot him through the chest. He still advanced, and struck at Knight several times: when the latter seized a revolver from the belt of a soldier. Miller then stopped; fell down, and expired in a few minutes.

Captain Knight came to this city by stage, where he will await an inquest and examination.

THE Fenian circles in the East are very much mixed up between Stephens, Roberts and O'Mahony. Fears are entertained that the organization, between them all, will be abandoned.

NEVADA NEWS.—We cannot admire the opening paragraph of the leading editorial of the first number of the Nevada State *Journal*. The paragraph reads thus: "When God created the heavens and the earth, and all the countries belonging, he gazed upon the magnificent productions and remarked complacently that it was good." ....The Spanish mill at Empire City is now working its old tailings with excellent results....The Carson river now abounds with splendid trout....Owners of town lots are excited over the announcement that the President is about to issue an order for the sale of the various town sites in Nevada where they have not been entered by pre-emption under the act of 1863. ....There were shipped from Virginia, Gold Hill and Carson on the 16th and 17th inst., $112,977 of silver bricks. Nearly $13,000 ounces of silver bullion was received at same time for assay.... Forrest is to play in Virginia....The *Reveille* is complacent over an assay giving $77.54 to the ton, from the Bunker Hill District....The Fenians have been luxuriating in torch light processions in Carson and Virginia city.... Gentle Washoe zeyphers are prevalent. Taking a roof from a three story building is one of their most common feats. ....The *Reveille* has a very favorable account of the Battle Mountain copper mines, located one hundred miles north of Austin....Mr. Rawlings, while trout fishing in Silver Creek, sixteen miles north of Austin, had the misfortune to flip his line in such manner that the hook caught in the ball of the left eye. He had to be carried to town in that condition, where surgical aid was obtained, and hopes are entertained of saving the eye....Governor Blasdel and party have arrived safely at Pahranagat, but were well used up. The party returns to Virginia city via Egan Cañon and Austin....The National Bank of Austin shipped on the 21st inst. 537 pounds of silver—value $7,463....R. Howland, of Carson city, while engaged in cleaning a pair of derringers, accidentally shot himself—it is feared fatally. ....Doane & Son, owning a large amount of mining machinery, have left Austin for Rush Valley, at which latter place they propose to operate..... Freight from Austin to Salt Lake commands six cents....The Gold Hill assay office received on the 19th inst. 6,145 ounces of silver amalgum....Silver is now shipped from Virginia city and Gold Hill by the ton—positively no exaggeration in the statement....Senator Nye proposes to have his family spend the summer in Carson city.

From the River.

Atchison is luxuriating in the enjoyment of a full grown circus....On the 5th inst. a fire destroyed ten thousand cords of wood at Kaw River on the line of the U. P. Railroad....The *Free Press* claims to have the most complete job office in Northern Kansas....Nemaha county, Kansas, has decided, by a majority of 140, to issue bonds to aid in the construction of the railroad through the northern tier of counties....The Omaha *Republican* thinks the people of Nebraska will decide in favor of a State Constitution. Same journal thinks the vote will be about 10,000....The steamer Nellie Rogers, of the Montana trade, is high and dry on a sand-bar six miles above Bulo. Her freight has been transferred to another boat—name not given ....The police force of Omaha has been reduced. That speaks well for the city ....T. M. GENERAL NEWS.

Fort Monroe, May ...

Instructions from Washington were received this morning by Gen. Miles to give Jeff Davis, on his parole, the freedom of the Fort, retiring to his room in Carroll Hall at night. Messrs. Shea and O'Connor, his counsel, have been allowed access to ... and ... interviews with him at any ...

The Times' special says, the Senate caucus developed very general and free interchange of views on reconstruction, and it was agreed to adopt the constitutional amendment as it passed the House, except the 3d section. The caucus then discussed the appointments and confirmations, and the preponderance of sentiment seemed to be that it would be ruinous to carry on the warfare begun by the rejection of loyal and good men. The Tribune's special says the subject of adjournment or recess was discussed in the caucus, and without formal action, was thought possible to adjourn about the middle of July, unless something is developed not now anticipated. It was agreed that every attempt be made to harmonize all conflicting views so that the party might show a solid front. The caucus adjourned to meet again on Monday morning.

Foreign News.

New York, May 26.

The steamers Saxonia and America arrived, bringing dates to the 16th. The panic is over; no more failures reported. The bank refused to make advances on Consols. The diplomatic situation continues imminent. Consols closed at 86 1-2 a 86 1-4; rents, 63f. 85c; 5-20's relapsed 1-2; Consols on the 15th closed at 86 3-4 a 86 7-8; 5-20's, 65 3-4.

Liverpool, May 15.

Cotton quiet and unchanged. Sales of 1,800 bales yesterday and to-day at full previous rates.

The question of a European Congress is again mooted. Austrian troops occupied the Bohemian and Silesian frontiers. The volunteer corps for Mexico is disbanded and the greater portion of them are enrolled in the army of the North. Military preparations continue throughout all the German States. Great excitement prevailed at Liverpool, owing to a report that the Prussians had crossed the Saxon frontier, and that a collision with the Saxon troops was imminent. Garibaldi has accepted the command tendered him in the Italian army.

NEVADA NEWS.—The corner-stone of the United States Mint will be laid in Carson on the 10th proximo....$131,000 in silver bars were shipped from Gold Hill for the week ending May 19th....A lodge of Good Templars has been organized in Gold Hill....The mining mills about Gold Hill and Virginia have ceased working on Sabbaths....A prospecting party has just returned to Austin from an extended trip South, even to Pahranagat. It reports numerous ledges of gold and silver-bearing quartz located in the country through which they passed, and brought in numerous specimens for assay....The property of the La Platte Silver Mining Company— consisting of the Fairmount, Bigler and Twin Ophirs Nos. 1 and 2 ledges—has been sold for $60,000 in gold coin.... Jonas Seeley, of Ormsby county, is announced as a candidate for Attorney-General before the next Union State Convention.

GEN. SHERMAN, accompanied by two members of his staff, drove into Fort Kearney on Friday afternoon, drawn by his "coach and four" superb grays. He was cordially greeted at Head quarters, by his host, Col. Carrington, whose estimable bearing and soldierly distinction have become proverbial characteristics of the courteous gentleman. The General was welcomed by a salute of twelve guns. Conjecture says one of the General's objects for visiting the Post, was to acquaint himself with the Pacific Railroad surveys, about which there is much discussion as regards the most practicable route for the main trunk of the road. His implied opinion is that both branches of the road starting from Omaha and Wyandotte, can and will be extended through to the mountains, effecting a junction at Denver city.

The General left Sunday morning, en route to Lake Superior, via Omaha and St. Paul.—*Fort Kearney Herald, May 12.*

COLORADO NEWS.—Our exchanges are very bitter over the veto which prevents Colorado entering the family of States.....The Hope Gold Mining Company, located at Gold District, is now taking out twenty tons of ore each day. ....Col. Crosby and Major Kinney have been elected joint superintendents of the Black Hawk Mining Co....The Lyon smelting works are in full blast, rolling out silver buttons daily....Hollister of the *Journal* is preparing a complete history and directory of the Central Mines of Colorado and the towns and cities in their vicinity—price $2.00 bound in paper and $2.50 in muslin. Don't forget it Hollister....The wheat crop of Boulder county promises to be double that of any other past season.....Martin Davis, a boy aged fourteen years, residing in Valmont, was almost instantly killed by the accidental discharge of a pistol, held in his hand.....The Junction House, familiar to the overland traveler, was totally destroyed by fire on the night of the 12th inst. Loss about $7,000.....There are 627 graves in the Denver cemeteries.... Foster and Stone, who were hung in Denver on the 24th for the murder of Isaac H. Augustus and Mr Sluman, made a confession. Stone denies participating in these murders, but says he killed four men in the States. Foster confesses to the murders for which he was sentenced and implicates Stone, but says it was the first murder that he (Foster) ever committed.....Bayard Taylor is expected in Denver about the middle of June.

SLIGHTLY POLYGAMOUS.—The St. Louis *Democrat* tells about a beast named Michael Griffin, of that city, who has been sent to jail on a charge of polygamy, having no less than thirteen wives. He should have emigrated to Salt Lake.

POETRY IN UTAH—MISS SARAH E. CARMICHAEL.—To persons conversant with the natural and social peculiarities of this particular spot of Uncle Sam's domain, it may seem a matter of wonder that the young lady whose name appears above, and who hardly requires an introduction to your readers—her poetical efforts having already obtained very general circulation through the California press—should have developed a degree of proficiency in the higher walk of literature such as she has. Her poems are a connecting link, so to say, between the two discordant elements, read and admired alike by Mormons and Gentiles, and they challenge, by their undoubted merit, the attention of critical sojourners. Colfax, Richardson, Ashley, Bowles, etc., have each in succession paid their sincere homage to this wayside shrine of the Muses.

A novel effort is being put forth, with every prospect of success, to pay her quite a substantial compliment. Her personal friends have undertaken to publish a thirty page pamphlet containing selections of some of her best poems, to be executed by a San Francisco house in the neatest typographical style. Upwards of $100 have been contributed, which will be applied to defraying expenses of publication, and balance to be presented to the authoress for "pin money."

The design is commendable one and deserves the cordial encouragement and co-operation of the press. The execution of the ... is in able hands, and will be carried out with becoming energy and promptitude, being already in the printer's hands. Meanwhile, Miss Carmichael, authoress-like is living here in the most humble and retired style imaginable. I hope to allude to this *avant courrier* of her future volume again.—*Salt Lake Correspondence S. F. Alta.*
